Forest Officer, impressed. The duplicate copies will be submitted to the Range Forest Officer, on the day on which the license or pass is issued. When the books are completed, the counterfoils should be returned to the District Forest Officer though the Range Forest Officer and fresh supply obtained.

Note.—Forest Forms 84 and 85 shall be used.

(*h*) The lessee or sub-lessee, his agents or maistries and servants shall be held responsible for any fires caused by negligence either by themselves or by their workmen and shall prevent the occurrence of fires in the forests in which they may be working and render prompt assistance in extinguishing such fires as may break out accidentally. They will be liable also under the Forest Regulation, irrespective of any action that may be taken under the contract.

(*i*) The lessee or sub-lessee shall remove out of the limits of the taluk before the 30th June 1938, all the produce collected and stored under the terms of the lease.

(*j*) Neither the lessee nor sub-lessee nor his employees shall enter the State Forests either before sunrise or after sunset.

(*k*) No collection of the minor forest produce will be permitted in the State Forests during the fire season, *i.e.*, from the 15th February to end of April of each year.

(*l*) The lessee or sub-lessee shall not interfere with the recognised rights of inamdars.

(*m*) The lessee or sub-lessee has no right to the produce or trees on occupied lands and the village Amarai as detailed in para 1 above.

(*n*) No damage will be caused to the trees while collecting the minor forest produce; any such damage will be assessed by the Range Forest Officer, which will be approved by the District Forest Officer. The District Forest Officer's decision in the assessment of the damages will be final. The assessed damages will be recovered from the security deposit of the lessee.

(*o*) The lessee or sub-lessee shall hold responsible himself for the acts of his agents or servants in the business of collection and transport.

10. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part or both these penalties will be enforced at the discretion of the District Forest Officer, the Conservator of Forests, Shimoga, or the Chief Conservator of Forests as the case may be. In the case of mere forfeiture of the deposit amount, in part, or in full, the difference will be made good immediately by the contractor, and if not, the lease will be cancelled and resold at the risk of the original purchaser, who will be liable for any loss which will become recoverable as an arrear of land revenue but not participate in any profits.

D. N. MOORTY RAO,
District Forest Officer.

ENGINEERING DEPARTMENT

BANGALORE DIVISION.

Notification dated 8th October 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M., on 2nd November 1936, for restoring Bannaghalli Chickere, Register No. 173 of Chennapatna Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1937.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees two hundred in cash or Government Promissory Notes, as earnest money, and be superscribed " Tender for Restoring Bannaghalli Chickere, Register No. 173 of Chennapatna Taluk " in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for Contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.
